### Distance Learning

(An official publication of the United States Distance Learning Association)

Editor **Michael Simonson**, *Nova Southeastern University*

Managing Editor **Charles Schlosser**, *Nova Southeastern University*

Association Editor **John G. Flores**, *United States Distance Learning Association*

Distance Learning is for leaders, educators, trainers, and decision makers in the fields of distance learning, e-learning, telecommunications, virtual schools, and related areas. It is a professional journal with applicable information for those involved in providing instruction of all kinds to learners of all ages using telecommunications technologies. Articles are written by practitioners for practitioners with the intent of providing usable information and ideas. Articles are accepted from authors with interesting and important information about the effective practice of distance teaching and learning.
